

Venture Aerobearings LLC

Potential employment opportunities exist for:
Bearing Technician (CNC Machinist)

An excellent career opportunity exists with Venture Aerobearings LLC, a joint venture established by SKF Group and GE Aviation to manufacture aeroengine bearings for GE jet engines in Ladson, SC. Venture Aerobearings LLC brings together the latest technology from both GE and SKF and using a self-directed/high performance team concept. State of the art equipment is being combined with innovative manufacturing and inspection processes in a paperless environment. This is an exciting opportunity with tremendous growth potential in the aerospace industry.

This job includes:

- Technicians work from layouts and dimensions on drawings and reading manual gages
- Technicians load, align, and set up machines per drawings instructions and maintain quality production records.
- All employees operate in a high performance work team environment and adhere to the Environmental Health & Safety Guidelines.
- Minimum starting wage: **\$19-20.00/hr** - based on experience. Off-shift premium will apply.

Requirements and Qualifications:

- High School Diploma or GED required.
- Minimum 3 years of prior experience in set-up and operations of CNC grinders, lathes, milling equipment, etc. or a graduate of any recognized machinist or toolmaker program.
- Must be willing to work any shift and stand for long periods of time.
- Must have the ability to read and interpret blueprints and be able to read shop math and have knowledge of machining methods and cutting tools.
- Will be required to complete a company specific mechanical skills assessment.
- Must pass a pre-employment physical/drug screen, background check, and on-going random drug screens.
- Must pass a visual examination (near vision and color perception).
- Ability to work and contribute in a teaming environment.

Preferred Experience Includes:

- Non Destructive Testing (NDT)
- Computer literacy for Statistical Process Control, CMM measuring, and CNC controls

****Candidates must be able to work any shift****

***** Excellent compensation and benefits package including medical, vision, life, 401K. *****
